

WINDOW INTO THE AFRICAN HARVEST

December 2018

Dear Friends & Missions Partner

Updates on Church of God Ministry in Africa

- **Nairobi, Kenya – Celebration 40 years CoG Kenya**

Early December the Church of God in Kenya celebrated their 40th anniversary. Many former Missionaries, Overseers and guest speakers from overseas and from within Africa were present to help celebrate this great occasion. Juergen Rudolph had planned the graduation of a big number of ToT students in one of the sessions. It was a wonderful highlight for the National Church. In the meantime, the Church of God in Kenya has 220 congregations and 9403 members. Under the leadership of David Bwire, Overseer the church is making great progress.

- **N'Djamena, Chad – National Convention**

Also in December, the Church of God in Chad celebrated their National Convention. Since the leadership of the church has put emphasis on the "Firewall Initiative" and on church planting, 155 new congregations and 55 Mission stations have been added to the church. Amame Mamathe, Overseer has visited all new congregations to verify the tremendous growth. Sound Biblical doctrine is a great necessity for the new believers. During one of the services, three missionaries were commissioned to be sent to the North of the country and to unreached people groups. An offering was collected to support these missionaries – totaling almost the equivalent of U\$ 3000.00. Individual sponsors have committed themselves to support this missions venture on a monthly basis. At the last night of the conference, about 50 persons received Jesus Christ and in a morning session while Timothy Gbo was ministering others were filled with the Holy Spirit. We give God glory for the tremendous outpour of His grace and blessings.

- **Mali – new congregation in Capital**

Salomon, missionary from Chad to Mali has been able by the grace of God to establish a new congregation in the capital. Former Muslims are coming to Jesus. There is also great progress on the Ministry Center building project. The new congregation is already worshipping in the building.

A very blessed Christmas to all and God's favor in the New Year
